Dave Rozene, Tari Mills, Marvin and Kathleen Dingman went to the top of Mt Pickering and met a new adopter of the Parker trail.

The subsig group removed some small blowdowns and picked up branches off the ground.

Nancy, Dave Roy and Jean went to the start of the parker Trail . We worked on one large blowdown and cleaned it up as much as we can and left it for the Forest Service to take care of

the rest also some minor brushing' Krishna Ganne had signed up but had hurt his knee the day before and just cooked supper for us.
